Mental Health in Iowa

On December 5, the candidates for Iowa Governor will gather for a conversation about mental health care in Iowa. The event is being hosted by the Des Moines Register. It will be held at Des Moines University. This event will also be livestreamed over the internet. Christ Community United Methodist Parish feels this topic is important and we are inviting the community to come to our Corydon Church to watch the livestream together. The livestream event starts at 6:30 PM and finishes at 8:00 PM. There will be time following the livestream for discussion. We will start gathering for this event at 6:00 PM. Our Corydon church is located at 213 W Jackson St., Corydon. See you December 5th starting at 6:00 PM.

Parish Serving Meal for House Building on December 6

One Family One Purpose is an organization that will be in Seymour to build a house for a family that had their home destroyed by the tornado in March. They plan to have the house built in two weeks with the help of volunteers. The parish is serving lunch on December 6 to approximately 40 people. Each church has received a list of items needed. Geri Gardner is the coordinator for the parish. Please have your food to the Seymour Community Center by noon. If you have any questions about the organization or wish to volunteer your help in building the house, call 309-299-7926
