Lifeline Screening May 30

Life Line Screening, a leading provider of community-based preventive health screenings, is pleased to offer a preventive health event at Corydon United Methodist Church on 5/30/2018. Five screenings will be offered that scan for potential health problems related to, blocked arteries, which is a leading cause of stroke; abdominal aortic aneurysms, which can lead to a ruptured aorta; hardening of the arteries in the legs, which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat, which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. **There are three ways to register for this event and to receive a \$10 discount off any package priced above \$129, please call toll-free 1-888-653-6441 or visit <http://lifelinescreening.com/communitycircle> or text the word circle to 797979**

June 10 Service at Corydon UMC

The Worship Committee is leading the service on June 10th which will **start at 10:45 with a potluck brunch** followed by a short informal service. We ask that you bring your own table service as well. There will be scripture, songs and readings along with some sharing time about our church missions. We would like those in attendance to give a short synopsis of what they do in regards to mission work. This includes local mission as well as country and world wide missions. Wear casual clothes if you like. The plan is to have some Christian fellowship and learn more about the activities in our church.

Happy
Mother's
Day
